

LIFETIME WARRANTY STATEMENT

SI-Series / HI-Series Vibration Sensors

(A) Spectrum Instruments Ltd (Brighton, Ontario, Canada) provides a “Lifetime Warranty” that all ‘SI-Series’ and ‘HI-Series’ vibration sensors sold by Spectrum Instruments Ltd shall at the time of shipment meet the contractual specifics and be free from defects in material and workmanship. Under this program if any standard product fails to meet these standards, Spectrum Instruments Ltd (Brighton, Ontario, Canada), in its sole discretion, will repair, replace or exchange the product. The “Lifetime Warranty” program does not apply to non-standard, specialty, aerospace, or test & measurement products, products manufactured by third parties, products that are consumable or disposable, or products for which necessary components are no longer available on a commercially reasonable basis.

The “Lifetime Warranty” program does not apply to products damaged by accident, abuse, misuse, neglect, improper installation, problems with electrical power, natural disaster, or by any unauthorized disassembly, repair or modification.

(B) Upon prepaid receipt of any product returned under warranty, Spectrum Instruments Ltd (Brighton, Ontario, Canada) will pay shipping charges to send the repaired, replaced or exchanged product to the original point of shipment. Spectrum Instruments Ltd (Brighton, Ontario, Canada) reserves the right to decline repair or replacement if no fault is found in the product.

(C) The “Lifetime Warranty” program applies to eligible products ordered on or after June 1st, 2014.

(D) Any repairs performed under Spectrum Instruments Ltd (Brighton, Ontario, Canada) warranties shall not in any way extend the statute of limitations for claims under such warranties.

(E) The express warranty set forth in the “Lifetime Warranty” program is in lieu of and excludes any and all other warranties express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

(F) For any warranty claim, the original Buyer must provide Spectrum Instruments Ltd (Brighton, Ontario, Canada) with the applicable model and serial numbers, the date of purchase, the nature of the alleged failure, as well as proof of purchase. All returns require an RMA number be assigned by Spectrum Instruments Ltd prior to return prepaid shipment of the goods to the factory. Spectrum Instruments Ltd (Brighton, Ontario, Canada), in its sole discretion, will determine if the Buyer must return the product covered under this warranty to Spectrum Instruments Ltd (Brighton, Ontario, Canada)

(G) No agent, representative, reseller, or distributor of Spectrum Instruments Ltd (Brighton, Ontario, Canada) has any authority to alter the terms of this “Lifetime Warranty” in any way. This “Lifetime Warranty” may be altered only in writing by an authorized officer of Spectrum Instruments Ltd (Brighton, Ontario, Canada)

(H) Spectrum Instruments LTD's sole obligations under this "Lifetime Warranty" are set forth in paragraphs (A) and (B). In no event shall Spectrum Instruments Ltd (Brighton, Ontario, Canada) be liable to the buyer or any other person for any indirect, special, incidental or consequential losses or damages connected with the use of the product under this "Lifetime Warranty". Such damages for which Spectrum Instruments Ltd (Brighton, Ontario, Canada) shall not be responsible include, but are not limited to, lost time and convenience, loss of use of the product, the cost of a product rental, cost of removal or testing, costs of gasoline, telephone, travel or lodging, the loss of personal or commercial property, and the loss of revenue.

(I) In no event shall Spectrum Instruments LTD's obligations under this "Lifetime Warranty" exceed the purchase-price of the product plus any shipping and handling charges that Spectrum Instruments Ltd may be obligated to pay pursuant to paragraph (B) above.

(J) The "Lifetime Warranty" applies solely to original Purchaser and is non-transferrable.
